

**REMODELING UNDERWAY**—Extensive remodeling under the direction of Herman A. Bennett Co., general contractor, at the primary school building adds new appearance to exterior. The renovation, an energy conservation move, includes covering the windows with plywood, insulation board, tar paper and shingles and installation of individually controlled heating and cooling in each room. The inside of the windows are covered with pegboard to accommodate teaching displays. The classroom lighting will be improved with installation of florescent banks. After the contracted work is completed, plans are to re-paint the interior, by the school maintenance staff. Supt. Bob Hawes, said this will bring the building to first class condition which should take care of the next 10 years. The remodeling was included in the bond issue passed by voters last fall.

#### NEWS AND VIEWS...

##### And What Have You

By BOB CRAIG

Since we have already spent three days in bed with an infected leg and find ourselves facing Tuesday morning in not much better shape and in the need for something for this space we are calling on an old friend to help us out again.

James Roberts, Andrews County News publisher, takes a look at the current sex scandals in Washington and draws his own conclusions. His column on the subject follows:

"We can't understand all the hullabaloo about the 33-year old blonde from Asherville, North Carolina drawing \$14,000 a year as a mistress to a congressman.

"What's \$14,000 per year for someone who can't type, can't file and can't answer the telephone. We thought that was the norm for Washington.

"In April, the Senate passed the new federal budget for the coming year and in midst of all the campaigning, few people paid any attention to it.

"The budget calls for the expenditure of \$412,600,000,000. In English, that means four hundred twelve billion, six hundred million dollars.

"Another way of putting it is a thousand million dollars a day, plus an extra thousand million for petty cash every Monday.

"Or better still, it means 47 million dollars an hour, \$13,083 every second of every minute, every day, all year... a man's labor for a whole year, and more, gone with every tick of the clock. Forty million years of labor, a million lifetimes of toil.

"We doubt that any member of Congress, including Cong. Wayne Hays of Ohio, can even comprehend such numbers, nor use the millionth part of such sums rationally, nor grasp the deadly consequences of their acts...all they can do is vote for more and giggle and drool.

"National Review has pointed out that the new federal tax to raise that budget imposes a burden of \$8,000 per house hold...enough to ensure the health, education, welfare, and self-defense of every American family, if they could just keep what they earn.

"Actually, the hiring of this otherwise untalented woman is fully consistent with the spirit of the Humphrey-Hawkins bill whereby, if passed, government officials will guarantee jobs and work for the unemployed.

"And the bill has every likelihood of passing in the next session of Congress.

#### Championship Flight—

## Cary-Hudson Win Local Golf Tourney

The team of Robert Cary and John Hudson took the championship honors in the annual Hamlin County Club Partnerships Golf Tournament held this weekend on the local course.

The team shot a 135 for first with the team of J. B. Tabor and Troy Nuckols of Knox City shooting a 139 for second place. Dan Pickering of Snyder and J. T. Pore of Roby shot a 140 for third and Danny Doan and Davidson also shot a 140 for fourth.

Fred Hubbard and Mike Tucker won first flight honors

with a 146. Second place went to Hunter and Gerald with a 146, third went to McCoy and Ford with a 147, and Harbert and Mackey took fourth with a 148.

Rodger Bell and Johnny Overman won the second flight with a score of 150. Nichols and Dibrell took second with a 154, Reed and Humphrey were third with a 154, and Pittman and Casey were fourth with a 155.

Gary Smith and Gary Maberry shot a 154 for first place honors in the third flight. Taking second were McCanlies and Gill with a 154, Zetsman and Williams were third with a 158, and Knox and King were fourth with a 158.

Ned Moore and Cliff Reynolds captured first place in the fourth flight with a 163. Taking second place were Dennis and Dennis with a 167, Smith and Smith took third with a 168, and Smith and Casey were fourth with 169.

## Neinda Philosopher Says American Enterprise Is Still Alive; Men's Vests Prove It

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One this week discusses, of all things, men's styles.

Dear editor:

Some people are saying that the spirit of independence has gone out of America, that the old, original, individual aggressiveness is disappearing, that too many people are waiting around for the government to take care of them, little knowing that the government is having a hard enough time taking care of itself.

Such people have not been paying attention to men on television lately. They haven't noticed that more and more men are wearing vests.

The clothing industry for one, like buckskin wearers 200 years ago, still believes in and practices the pioneer spirit.

For years the clothing manufacturers thrived on

women's willingness to be told what to wear, long skirts this year, short ones next year, although they much preferred to go from short to long because the other way around some women took their scissors and stayed in style. You can shorten a long dress but it's hard to lengthen a short one.

But then women started getting independent and put on pants, leaving the dress manufacturers and their fluctuating dress lengths about in the same shape barbers were when kids stopped getting haircuts.

Did the clothing manufacturers run to Washington for help? No. They took aim at men. First they tried changing the shape of the coat lapels. This worked in some cases but not enough men noticed the change and kept wearing last year's suit. Then they flaired the pants leg, and that helped a lot, making some men with narrow cuffs ashamed to

#### Baptists Set Girls Camp At Lueders For Next Week

Big Country Baptist Assembly in Lueders will be the setting for girls camp next week, according to Howard J. Jones, First Baptist Church pastor.

GA Camp will be for girls who will be in the fourth grade next year through the sixth grade. Mrs. Glen McMillen will be their sponsor.

Acteen Camp will be for girls who will be in the seventh grade next year through high school age. Mrs. Andy Brown will be their sponsor.

The group will meet at First Baptist Church at 12:30 Monday and arrive at the encampment by registration time.

Rev. Jones will be camp pastor for the GAs, and Dewey Lamb, pastor of First Baptist Church, Albany, will be camp pastor for the acteens.

#### Max Kemp On 4-H Heritage Tour To Washington

Max Kemp, son of Mr. and Mrs. Fred Kemp, a delegate to the 1976 National 4-H Citizenship Short Course and Heritage Tour, Washington, D. C. will join a group of approximately 100 other Texas youth and their sponsors at Dallas Wednesday.

The group will travel by bus and make stops at Jackson, Miss.; Chattanooga, Tenn.; and Colonial Heights, Va. The group will be at the National 4-H Center in Washington. While there they will spend one day at Capitol Hill where they will visit their respective congressman. They will also visit Mt. Vernon, The Library of Congress, The Smithsonian, The Tomb of the Unknown Soldier and many other historical places. They will return to Dallas June 30.

#### Youth to Host District Meeting

Calvary Baptist Church Youth for Christ will host a district Youth for Christ Meeting Saturday, June 19. Activities will begin at 1:00 p.m. at the City Park.

Recreation will last until 5 when the meal will be served. At 7:30 p.m. the business meeting will be held at the church and will be followed by gospel singing.

#### NEARLY OVER—

## Wheat Harvest Better Than First Expected

Although far below last year's record crop, this year's wheat crop overall is much better than expected, according to Robert Fowler, manager of Moore Elevator. The harvest is in its final

stages and should be completed within the next week to 10 days, Fowler said.

As of Monday afternoon of this week, the local elevator had received 647,000 bushels of wheat. This compares with

last year's record crop of 1,100,000.

The best yields have been coming from the south and east of Hamlin with most of it averaging from 15 to 25 bushels. The yields west of Hamlin have been running only from five to 13 bu. per acre with a few exceptions.

Fowler said that this year's crop has been of exceptional quality with it testing up to 63 pounds test weight. He said that the cool weather in May played a big part in this extra good quality.

The price this year started at \$3.25, rose to \$3.55 last week and has dropped off to \$3.25 this week. This compares with last year's price of from \$2.85 to \$2.90.

**JAMAICA QUEEN CONTESTANTS**—Nora Holden, 17, daughter of Mr. and Mrs. E. J. Holden, and Maria Elvia Garcia, 13, daughter of Mr. and Mrs. Daniel Garcia, are candidates for Queen of the Jamaica observance. The queen's selection will be announced at 8 p.m. July 3 at the Jaycee Community Building at the coronation dance sponsored by the Catholic Church.

#### New Swimming Pool Rates Told

Mrs. Ellis West, manager of the Hamlin Swimming Pool, has announced new fees which will be charged to those using the pool this summer.

Children aged one to five will be required to pay 50 cents, and children aged six through eleven will pay 65 cents to enter. All those twelve and older will pay a fee of 90 cents.

The pool may be rented for private parties by calling 576-2182 and making reservations, Mrs. West said.

#### Calvary Baptist Sets VBS Dates

Calvary Baptist Church has set Vacation Bible School for June 21-25.

Classes will be from 9:30 to 12 noon.

Children ages three and four will be dismissed at refreshment time.

#### Miss Marcom Wins First In Contest

Linda Marcom, 16, daughter of the Rev. and Mrs. Howard Marcom, was named first place winner in the Junior Piano Solo Contest of the Texas Music Teachers Association meeting in Austin, June 12-16.

Miss Marcom played a Beethoven Sonata and a Rachmaninoff Prelude.

The Junior Division is for students in the first two years of high school, or have completed the sophomore year. She will be eligible to compete in the senior division next year.

She is a student of Mrs. Louis Catuogno of Lubbock and represented the Lubbock Music Teachers Association. She received a trophy and \$50.

Dr. Seth Adams Jr., of Gunnison, Colo., visited with his mother Mrs. Seth Adams, Sr. for three days last week.

ANDY CONTRERAS gets scholarship

#### Andy Contreras To Get Baptist Scholarship Award

Andrew J. Contreras, son of Mr. and Mrs. Trine L. Contreras, will receive \$250 per semester for his entire college career as recipient of a Latin American Scholarship award presented by the 2.2 million-member Baptist General Convention of Texas.

Contreras plans to enroll in Hardin-Simmons University in Abilene in the fall.

The scholarships are funded through the Mary Hill Davis State Mission offering, taken each fall in most of the 4,400 Southern Baptist congregations in Texas.

**HAMLIN DELEGATES GREETED**—Elton Bouldin, right, of Boaz, Ala., National Vice President of the Future Farmers of America, greets Mark Cartur, left, Guy Turner, Hamlin FFA representatives, and Milburn Wink, advisor, at the week-long National FFA Washington Conference program. Mark, 17, is the son of Mr. and Mrs. Milton Carter. Guy, 16, is the son of Mr. and Mrs. Charlie F. Turner.

## Garden Check List for June

by Kirby Clayton, County Extension Agent

1. Too late to prune crape myrtles now except for shaping and removing spent flower clusters. Should powdery mildew be a

problem use Benomyl or Actidione PM. Fertilizer now for maximum flower production. 2. Roses will need summer attention for peak fall beauty. Prune all spent blossoms back to within 1/2 inch of a 5- or 7-partied lead. Fertilize monthly through August with

a water-soluble rose fertilizer. Complete balanced fertilizers such as 10-10-5 or 12-12-12 can also be used at one pound per 100 square feet of bed space. Aim to fertilize after each flush of blooms. 3. Continue preventive spray program on roses for blackspot and mildew control. Benlate will control both.

4. Aphids are multiplying rapidly. Don't let the population get ahead of you. 5. Watch for webworms on peacocks, mulberry, persimmons and many other trees.

6. Bagworms are showing up in junipers, and other narrow leafed evergreens. This trashy, bag-toting pest can easily be controlled while small with Sevin, Malathion or Diazinon.

7. Other insects to watch for include Elm leaf beetles, Lace bugs on pyracantha and sycamores and scale on holly and euonymus as well as red spider mites on almost everything else.

8. Do not neglect to pinch back the terminal growth on both annual and perennial plants. This will result in shorter, more compact plants with more flowers.

9. When watering, apply sufficient moisture to soak the soil to a depth of 8 inches. Try to water early in the day so plants dry before evening. This will help avoid diseases.

10. Make cuttings of your favorite chrysanthemums and root them in a mixture of perlite and peat moss. Cover cutting box with plastic and place in a shade area for 5 to 7 days to prevent wilting. Roots should form in 3 to 4 weeks.

11. Be on the lookout for sod webworms in area lawns. This devastating pest which severs grass blades can be controlled with Sevin (carbaryl) or diazinon.

### Phebean Class Holds Salad Luncheon

The Phebean Sunday School Class of First Baptist Church met in the parlor Tuesday, June 8, for a salad luncheon.

Mrs. George Werner installed officers using "I am the Light" as the theme, giving each officer a candle. As each candle was lighted it signified each one to be a shining light.

Installed were Mrs. J. A. George, teacher; Mrs. Jack Wright, assistant teacher; Mrs. Tom Gregory, outreach leader; Mrs. George Wainwright, assistant outreach leader; Mrs. Leona Carter, secretary; Mrs. Billye Goodman, assistant secretary; Mmes. Ben Parker, Mary Holmes, Henry Albritton, Lillian Greer, B. W. Niedeecken and Evalyn Bigham, group leaders.

Others present were Mmes. Zelma Perryman, A. G. Miller, Greta Maynard, Flossie Ferrell and H. H. McDonald.

Guests were the Rev. Howard Jones, pastor; Mrs. Lala Harbert, Mrs. Joyce Hambrick and Mrs. Ronnie Hill.

BRENDA WILLIAMS sets wedding date

### Miss Williams, Larry Griffin Plan Wedding

Mrs. Dorothy Williams announces the engagement and approaching marriage of her daughter, Brenda Kay, to Larry E. Griffin, son of Buford Griffin of Hamlin and Mrs. Lou Griffin of Abilene. An Aug. 31 wedding is planned.

The bride-elect is a 1976 graduate of Hamlin High School and is employed by Waddell's Dairy Queen. Griffin, also a 1976 HHS graduate, is employed by Colonial Food stores.

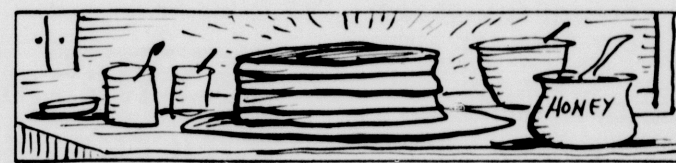

### Miss Griffin, Bill Godlove Set Wedding

M. and Mrs. Alfred Griffin of McCaulley announce the engagement and approaching marriage of their daughter, Charlott Kay, to Bill Godlove of Lubbock, son of Mrs. Ruth Godlove of San Antonio.

The couple will be married July 10 in Lubbock.

Both are presently employed at Plains Cotton Coop Association. He is the data processing manager and she is secretary in the sales department.

Following a trip to Las Vegas, the couple will live in Lubbock.

When honey is used as a sugar replacement in a cake recipe, reduce the liquid called for by 1/4 cup for each cup of honey used.

## the gospel truth

by Bro. Marshall Townsley

Jesus was our substitute! Praise God! It is a well known spiritual fact that He bore OUR sin and the sin of the whole world. The scripture says, "...he was wounded for OUR transgressions, he was bruised for OUR iniquities. Isaiah 53:5 We accept that by faith in His shed blood.

I want to deal specifically this week with another area that the sacrifice of the Lamb covered. In the same text, we read: "He is DESPISED and REJECTED of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from him; he was despised, and we esteemed him not. Surely he hath borne OUR GRIEFS, and carried OUR SORROWS; yet we did esteem him stricken, smitten of God, and afflicted." Isaiah 53:3,4

When I was small I did a number of unfavorable things and most of the time I was punished for them. But on one occasion, and I'll never forget it, my older brother felt sorry for me and decided to take my punishment for me. I did not understand then that he had felt compassion for me in my weakness. He felt so much for me at that moment that he stepped in the way of the belt.

Jesus has done that for you and me. He was so moved with compassion for us that he took upon himself all that we deserved through sin.

## PROTECTING YOURSELF AGAINST LOSS

TIPS TO HELP YOU

This information has been supplied by experts at The Society of Chartered Property & Casualty Underwriters, the national professional society whose members have earned the CPCU designation by meeting high educational, ethical and experience requirements.

Q. My daughter is going off to college next year and will live on campus. She'll be taking clothing and personal belongings worth approximately \$2,000. In case they're damaged by fire or theft, are they covered by my homeowners policy?

A. Yes. Your daughter's personal belongings are protected against fire, theft or certain other perils provided she maintains your address as her permanent residence. This protection is limited to 10 percent of the amount of coverage on unscheduled personal property in your policy. Unless your policy provides \$20,000 of coverage on personal property, the protection of your daughter's belongings on campus would be inadequate.

You may, of course, obtain a separate personal effects floater specially written to cover your daughter's belongings against practically all risks up to the full \$2,000.

Or, you could purchase specific fire and theft policies on behalf of your daughter. This would not offer as complete coverage as the personal effects floater, but it is less costly.

Mr. and Mrs. Oran Taylor, their son, D Ray Taylor and family of San Antonio, two granddaughters, Melody Pierson of Wichita Falls and Sany Johnston of O'Brien, spent the past two weeks in Cuchura, Colo. They enjoyed the snow, went jeep riding and went to Royal Gorge. They younger Taylor is education and youth director of Baptist Temple in San Antonio.

## Students Give Piano-Organ

### Recital Here

Wednesday afternoon, May 26, the following piano and organ pupils of Mrs. George Werner were presented in a recital at the First Baptist auditorium:

Kay Bailey, Susan Benningfield, Tonya Brumley, Laura Carter, Sharon Ford, Sharon Hinkle, Araceli Martinez, Miriam Martinez, Kathy Prewit, Karen Ponder, Pamela Thorton, LaEtt Sciffes, Shawn Slaughter, Deborah Server, Susan Watts, Tommy Watts, Teri Weaver and Rechel Welch.

HAD VISITORS? That's news, call the HERALD.

## FROM THE FILES . . .

### FIFTY YEARS AGO (June 18, 1926)

The year 1926 has seen a continued building program carried on in Hamlin. Not only has the business section been greatly improved but in every part of the residential section many beautiful homes have been built. The style of residences take on that of the English or Spanish, forming a sharp contrast to the usual bungalow fashion.

The Burns hotel brick business house, containing three lower business rooms and twenty-two upper hotel rooms is nearing completion. This is going to be a valuable addition to Hamlin and complete the business building in the south part of Central Avenue, on the east side. Mr. Burns reports that eleven of his upper rooms will be equipped with baths. As yet we do not know who will run this establishment.

Another new home is being finished on South Central Avenue. This belongs to Mr. Hopper, and adds much to the block.

Bob Hartwell on Park Avenue is erecting a very pretty duplex house. This is meaning a great deal to that street. Park Avenue is the street leading to the city park or baseball field. From year to year this street is becoming one of the best in Hamlin.

The McCain brick home on Jackson Avenue is about completed and is a dandy new style of English architecture. The Clyde Smith home on the same street is also nearly ready for occupancy. This is a new feature in home structure and looks good.

Since last week there has been two new and modern service stations opened in Hamlin.

Uptown we see the beautiful corner brick known as the Littleton corner but from name of the person operating this station it will be called the Adkins Service Station. Mrs. Lige Adkins and her son, J. B. Adkins, Jr., have this leased from Mr. Turner, who has a lease on the station from the owner, Miss Littleton of Abilene.

Hamlin has no court house for central "town clock" but Mayor Turner, who secured a lease on the new station had a clock nitch built into the wall of the building just above the main street entrance and in this nitch rests a "regulator" Western Union Clock.

F. B. Moore Grain Company is preparing to handle a big stock of grain in bulk. Recently their warehouse has been reconditioned for this purpose at a cost of several hundred dollars. On Wednesday of this week, Mr. Moore received the first wagon load of wheat of the 1926 crop. This was produced by Harris Feagan and brought \$1.15 per bushel, with a test of sixty pounds, being No. one hard wheat.

### TWENTY YEARS AGO (June 21, 1956)

Fate of the parking meters in Hamlin was to be determined at a special meeting of the Hamlin City Council scheduled for this (Thursday) morning at the city hall.

This decision was reached by members of the council after they had met with 36 merchants and other interested persons of Hamlin Tuesday afternoon in a conference on consideration of removal of the meters on a six-month trial period.

Some of the merchants attending the meeting contended that parking meters were keeping people from coming to Hamlin to trade, in view of the fact that several neighboring towns have free parking. Anson, Roby, Rotan and Aspermont, for example, have never had meters. Stamford last week-end declared a moratorium on the meters for a six-month period.

Proponents of the meters point to the time before meters were installed in Hamlin in 1946 when parking space was at a premium. Store employees and others would park their cars all day long on the streets, preventing would-be shoppers from using the space near the stores.

Rebecca Ann Ferguson, daughter of Mr. Thomas Ferguson, has been named rodeo sponsor from Hamlin to the 1956 Texas Cowboy Reunion at Stamford, slated July 2, 3, and 4.

Rebecca Ann is being sponsored by the Hamlin Business & Professional Women's Club. She will appear on horseback in the daily parades and compete for the reunion Queen place.

Formal opening of the H & M Tire and Appliance Store, Hamlin's newest business institution, is slated within a few days, but the concern already is open for business in the Bowen Pope building, corner of Southeast Avenue A and Central Avenue, formerly occupied by The Herald.

The business is owned by Joe A. Hudspeth and Weaver Medlin of Stamford, who have been West Texans most of their lives.

Manager of the business is Hudspeth, who will move with his family here as soon as housing can be arranged. A native of Stonewall County, Hudspeth is well known in Hamlin, where he worked for Elmer Feagan in the late 1930's. He has been in Stamford for several years. He and his wife have two girls, Jorene, 13, and Glenda Sue, eight years old.

### TEN YEARS AGO (June 16, 1966)

Property owners are busy this week cleaning up businesses and homes after the damaging storm that swept through the city about 7:30 Sunday evening, bringing with it .88 inches of rain.

The main path of the storm was east of South Central, the main street of the city. In this area eight West Texas Utilities poles in one stretch were knocked down. Electricity in some sections was off from one to four hours because of poles being down or wires being cut by flying sheet metal.

Estimates of damages run as high as \$250,000.

The high winds accompanied by marble-sized hail and what is now believed to have been a small tornado hit about 7:30 p.m. Sunday. Several residents and farmers reported seeing the funnel.

### NEWS AND VIEWS . . .

#### And What Have You

— Continued from page One

"And taxpayers supporting all the goodies for Congressmen is certainly nothing new.

"Currently, our Congressmen enjoy free parking, free haircuts, free shoeshines, free medical examinations, free prescriptions, free law books. (\$1,000 worth), free plants from the Botanical Gardens, free picture framing, free mailing privileges, free travel to and from their district, free health club privileges, free junkets to the finest watering holes in the world. "We taxpayers subsidize their cocktail parties and dinners on Capitol Hill, their restaurants, their medical insurance and their hospital stays at Walter Reed and Navy Medical, their basement food store, and their richly endowed retirement program.

"In the last 18 months alone, our Congressmen have raised their district office allowances by 43 per cent, their special delivery stamp allowance by 25 per cent, their stationery allowance by \$1,250. They hiked their salaries \$1,700 in a time of severe unemployment, and voted themselves an automatic cost-of-living escalator during a time of high inflation. A few days ago, they raised by \$10,000 to \$25,000 annually the amount they can earn on the lecture circuit.

"Each congressman has been permitted recently to add two additional staff members thereby increasing their staff allowance by \$34,000 per year.

"During the past 18 months, the cost of each Congressman has risen \$110,000 per member. Over the last 20 years, while the cost of living has risen 82 per cent, the price of Congress has risen 560 per cent.

"It's certainly no wonder, with that kind of treatment, that the Congressman from Ohio got the idea that everything in life was free to a Congressman!"

## A Letter From Daddy

Her father has sent a letter and a picture, too, to show his family what he's doing while they are apart. It makes them feel close and it comforts them.

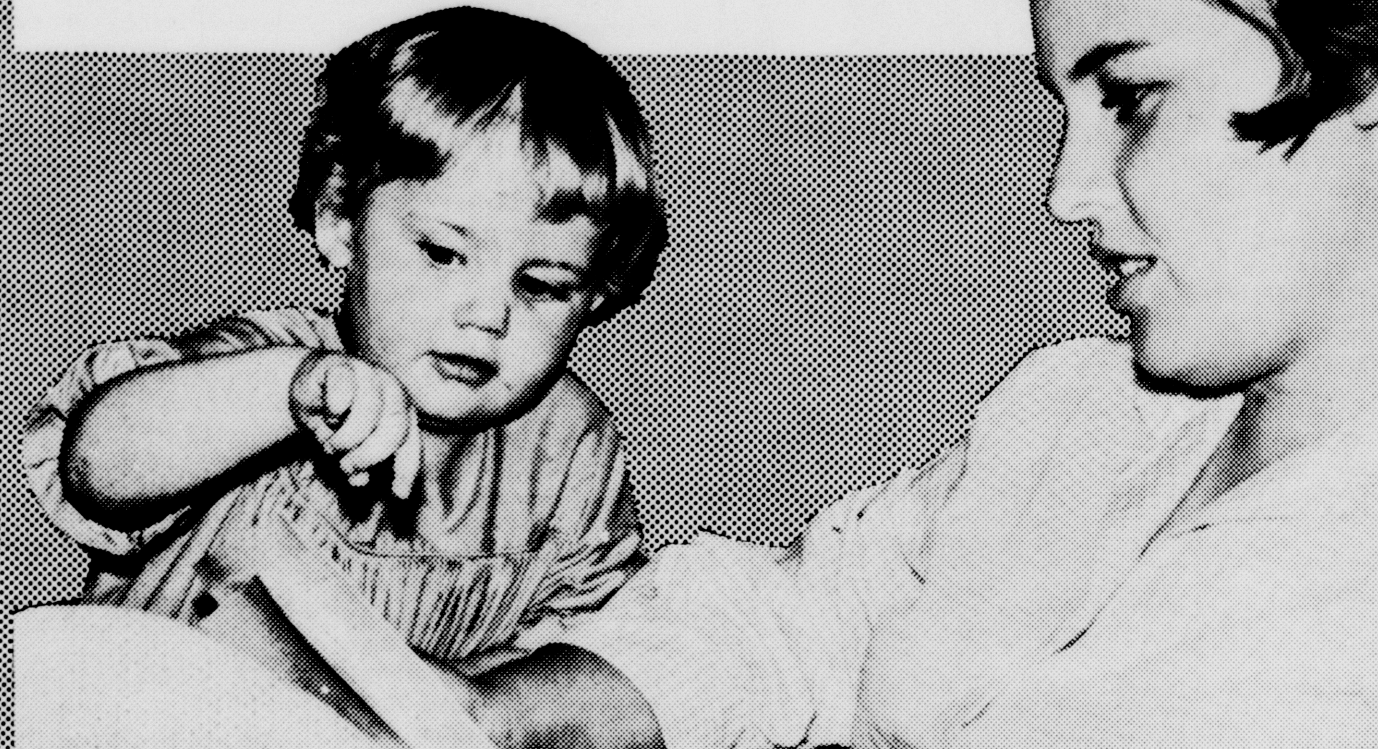

Our Heavenly Father has written us a love letter and given us a picture of what He is doing for us while we're apart. Both are contained in the words of the Bible.

In Jeremiah 31:3 He says, "I have loved thee with an everlasting love; therefore with loving kindness I have drawn thee."

And Our Lord tells us in John 14:2, 3, "In my Father's house are many mansions; if it were not so, I would have told you.

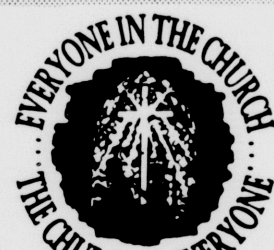

I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself: that where I am, there ye may be also."

We invite you to attend church this week. You'll receive a blessing from having done so.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

**Singing Sunday**

The Third Sunday Singing will be held this Sunday at Calvary Baptist Church beginning at 2 p.m.

Everyone is welcome to attend.

**IT PAYS TO ADVERTISE**—Whenever you have something to sell, trade, or give away—use the **HAMLIN HERALD** classifieds.

AUSTIN — A House sub-committee is concerned with \$10 million or more in

state funds deposited in banks by small regulatory and licensing agencies and not subject to legislative control.

The panel began hearings here last week to determine if the money should be turned over to the state treasury as is bulk of funds appropriated to governmental departments.

A bill to require that money received by the agencies be deposited in the treasury within specified limits has been introduced in past legislative sessions.

Some Legislators feel the state is entitled to interest on all major deposits. They also contend all agencies should have budgets drawn for them and appropriations handed to them by the legislature.

The small agencies, who operate outside the treasury and normal appropriations process, note that they are spending fees and charges assessed individually subject to their regulation.

They claim, further, they can operate more efficiently and with greater flexibility using their fee and licensing charges to meet their own needs.

The sub-committee will make recommendations to the next legislature on the subject.

Chairman Rep. W. H. Heatly of Paducah repeatedly indicated sympathy with a bill to require that funds received by any official state agency go into the treasury promptly.

**Parts Price Up**

If you replaced all the parts of a 1976 car that sold for \$4,438, you would pay a total of \$19,979, according to a new study reported by Southwest Insurance Information Service.

Prices charged by auto manufacturers for the replacement parts are driving up insurance rates for Texas drivers, according to S.I.I.S.

In a single year, repair costs have increased 20 per cent due largely to parts prices. Grilles, radiators, water pumps, trunk lids, bumpers and other frequently-damaged parts rose more than 47 per cent in three years.

S.I.I.S. said car manufacturers aren't enthusiastic about building more-crash-resistant vehicles.

**Jobs Ending**

Six hundred more jobs in the State Department of Highways and Public Transportation probably will be eliminated by September 1.

Since last September, 2,250 jobs have been eliminated. Actually, the number of employees has been declining since the 1972 Interstate Highway construction project peak.

Statewide, the department's work force will have dropped from 20,000 in 1972 to 14,850 by September 1, according to Engineer-Director Luther DeBerry.

DeBerry said inflation has hit the highway construction and maintenance field, and growth in taxes on motor vehicles has not kept pace.

Other states are experiencing similar problems.

**Courts Speak**

The Third Court of Civil Appeals here upheld constitutionality of the state's 10 per cent tax on mixed alcoholic beverages.

Texas Supreme Court set for July 14 medical malpractice suits from Gray and Taylor Counties to determine whether surgeons are responsible for sponges left in abdomens of patients during operations.

Invalidation of Austin City Council's action renaming 19th St. in the Capital City Martin Luther King, Jr. Blvd. was upheld by the Third Court of Civil Appeals.

The Supreme Court overturned a Randall County trial court order of a father to jail until he

paid \$4,710 in back child support payments.

Court of Criminal Appeals ordered a new trial for a San Antonio man convicted of burglary and sentenced to 12 years, determining the trial judge did not apply the law on burglary to case facts.

Atty. Gen. John Hill is seeking to intervene in the Fifth Circuit Court of Appeals opposing Florida's bid for designation as an "adjacent coastal state" with respect to gaining veto power over a deepwater superport off the Texas Gulf Coast.

**AG Opinions**

An investigative file of the State Securities Board enforcement division is excepted from public disclosure, Atty. Gen. Hill held.

In other recent opinions, Hill concluded:

—The Open Records Act does not apply to information maintained by the judiciary.

Improperly-collected boat certification fees may be refunded if payment resulted from a misapprehension of fact or law induced by the Water Quality Board or from a threat of penal prosecution for failure to pay.

—A Texas Employment Commissions employee may not serve as an officer of a political precinct but may be a political party convention delegate.

**Short Snorts**

Democratic and Republican state conventions this week will select at-large Texas delegates and alternatives to national presidential conventions.

Mr. and Mrs. Herman Sharer visited friends in Wichita Falls and in Fort Worth with Mr. and Mrs. Donald Wright and family and Mr. and Mrs. W. R. Atwood; and in Weatherford with Mr. and Mrs. Sam Bruner over the weekend.

**Return Home**

Mr. and Mrs. Harold Bonner flew from Lubbock to Los Angeles, Calif., to visit their daughter and family, Mr. and Mrs. Harold Owens. They also flew to Sacramento to visit Mr. Bonner's brother, Mr. and Mrs. Clyde Clark, and were met by another brother, Mr. and Mrs. Paul Clark of Buffalo, Wyo.

They went to San Francisco for a concert of the Sixth Army Band Retreat, of which her nephew, Joel Clark is a member. Horace Bonner, another nephew who is in the Navy, also joined them in San Francisco, and they all enjoyed several outings, including a pro baseball game, and seeing the T. V. game show "Gambit" being taped. They returned to Hamlin Sunday May 30.

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication.

**AFRAID YOU ARE GOING DEAF?**

A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given free to anyone answering this advertisement.

Send for this non-operating model to see how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so write for yours now. Thousands have already been mailed, so write today to Beltone, 1333 No. 2nd St., Abilene, Texas 79601 or call collect 1-915-5100.

# What you don't know about the cost of natural gas can hurt us all.

You know you're paying a lot more for natural gas, but you may not know why. The reason is basically simple:

The average price Lone Star has had to pay its 500 independent suppliers for gas we supply you has risen (about \$166,000,000 more in 1975 than in 1974\*). So we have to charge more.

If Lone Star were not able to recover these increased costs, we could run into some major problems.

First, we wouldn't be able to buy the gas this area needs. Short supplies of natural gas could handcuff industry.

When industry runs short, jobs begin to disappear. Production falls off. The tax base our cities, counties and school districts depend on begins to shrink.

That's why you need to understand how our industry works, why gas bills have to go up, and what Lone Star is doing to keep the increases as small as humanly possible.

**Some important questions.**

Here are some important questions and answers about our service.

1. *How do our gas bills compare to other cities?* Our customers pay less for natural gas than most cities, including other cities in Texas.\*\* We feel we're doing a pretty good job of selling natural gas at the most reasonable price possible.

2. *Does gas cost adjustment guarantee profits for Lone Star?* Not at all. In fact, the company has been forced to initially absorb 15 per cent of higher adjustments. This is a serious loss that must eventually be recovered if our cities are to have adequate gas supplies in the future, and if Lone Star is to have a fair return, to which it is entitled by law.

3. *Who checks on Lone Star Gas?* The Texas Railroad Commission, after a thorough investigation, sets our base (or wholesale) cost of gas. They set the rate of return on the pipeline system that brings the gas from the well to your city. They also monitor changes in the monthly gas costs of Lone Star, and this monthly gas cost information is filed with each city we serve in Texas.

4. *How high will gas bills go?* Today, your bill is based on the average cost of gas to Lone Star of a little over one dollar per thousand cubic feet. Gas bills will continue to rise in the years ahead, but probably at a much slower rate than recently. It appears that the field price of gas is leveling out so that increases will be much more gradual.

**It's not all bad news.**

Basically, all of those answers say that gas costs more than it used to, and it will continue to cost more.

But there is good news: As long as Lone Star is able to recover its costs, and as long as there is sufficient incentive for producers to drill for new gas supplies, we'll have the gas we need to keep this area moving.

All we ask is your understanding, and your cooperation, to make sure that happens.

*If you have a question you'd like answered in an advertisement, write Consumer Information, Lone Star Gas, 301 S. Harwood, Dallas, Texas 75201.*

\*1975 Annual Report filed with the Securities & Exchange Commission.

\*\*U.S. Department of Labor Statistics and recent surveys conducted of major Texas cities by Lone Star Gas Company.

**Lone Star Gas Company**

## Have You Done YOUR Part In Helping Make YOUR Cemetery Into A Perpetual Care Cemetery?

The Association completely reorganized last November and under the direction of new Officers and Trustees is working hard to accomplish new things for the old and new part. Many people and organizations have given hours of their time and money to help clean and beautify.

Two work days accomplished much needed work. The old trees were cleared, shrubs pruned so that cars could drive through all the streets, new streets made, grass fertilized, new shrubs set out and a Babyland established.

It is impossible for the trustees to contact everyone. If you have not been contacted would you please see or call one of the trustees. They will be glad to answer any question you might have. This project is not designed just for today, but is something that is lasting for the future. Many people or families are members of the \$1,000 Club. This is greatly appreciated because your \$1,000 will make \$75.00 in interest each year. Only this interest can be spent to hire a caretaker. One who will work full time to really keep it nice and clean. The trustees are striving for \$150,000.00 to be invested. It will take this much to really be successful.

If you cannot invest \$1,000 in this fine community project please feel free to give whatever amount you can — by the week, month or year. Remember, this can be a tax deductible item for you. Any amount is greatly appreciated. The quicker the goal is reached the better job can be done.

This project is YOUR project. Will you do YOUR part Now? If you do not own your lot your purchase now will help so much. Many fine locations are available for you to choose from.

Bill Rountree, president  
Weldon Hudson

Edward Gardner  
John Howard Jr.  
Olivia Griggs  
Neoma Bailey  
Arlene Bryant

**DONATIONS ARE ALSO NEEDED FOR THIS YEAR**

Because it will be another year before this endowment money will generate any income, your trustees need donations this year to take care of the cemetery. We would like to raise enough money this way to have the cemetery in good shape when it becomes self supporting. But your donations are needed.

## Local Girls Attend Basketball Camp At Ranger College

Lisa Hawes, daughter of Mr. and Mrs. Bob Hawes, and Sharon R. Ford, daughter of Mr. and Mrs. Joe F. Ford, attended the Ranger Junior College basketball camp June 6-11.

Ron Butler, coach of the Ranger Junior College Rangeans, conducted the eighth annual camp, the only one of this kind in Texas. The camp is for girls of junior varsity and junior high.

The primary purpose of the camp is to teach new skills in the fundamentals of sound basketball and to improve the individual abilities of each girl.

Outstanding Texas coaches leading the camp include Larry Tucker, formerly of Rivercrest High School, Rogata; George Scott of Miami High School; Don Durham of Carroll High School, Southlake, and Don Bates of Ranger Junior College.

One more camp session will be held July 11-16.

## Completes Basic

Private David H. Williams, son of Dorothy Williams completed basic training in the United States Marine Corps at San Diego, Calif.

He is now attending school at Camp Pendleton, Calif., studying administration.

**FOR SALE**—Farm house to be moved. Contact Richard Young, Phone 576-3451.

**FOR SALE**—House at 336, S.W. Ave. D, Hamlin, Texas. Contact Rudy Hamric, 776-2141, Roby or 735-3370, Rotan after 6 p.m.

**FOR SALE**—24 X 60 mobile home. Low equity. Must sell now. Call 576-3704.

## Bids, Legal, Auction

Sealed bids will be received in the office of the Superintendent of Schools, Hamlin, Texas, for evaporative type air conditioners, space heaters, and one Marcy weight machine.

These items may be seen at the Hamlin Elementary School Gymnasium, 410 N. W. Ave. D, between the hours of 8:00 A.M. and 4:00 P.M.

Each item must be bid individually. Bid forms may also be picked up there. Bids must be in the Superintendent's office no later than 4:00 P.M. July 12, 1976. Bids will be opened at 7:00 P.M. July 12, 1976. Hamlin Independent School District reserves the right to accept or reject any and all bids submitted.

## CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 3.148 miles of Grading, Structures, Base and Surfacing from FM 57 to Jones Co. Line, from Fisher Co. Line E. to FM 126 on Highway No. FM 668, covered by A 746-2.2 & A 746-3.2 in Jones and Fisher County, will be received at the State Department of Highways and Public Transportation, Austin, until 9:00 A.M., June 24, 1976, and then publicly opened and read. Plans and specifications including minimum wage rates as provided by Law are available at the office of C. W. Wesbrooks, Resident Engineer, Hamlin, Texas, and State Department of Highways and Public Transportation, Austin. Usual rights reserved.

**RENT** the Jaycee Community Building for parties, family reunions and special occasions. Call Jerry Smith 576-3638.

# Don't Keep It Under Your Hat!

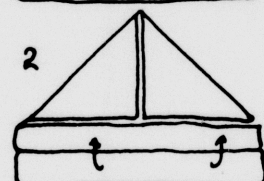

## Spread the Word... Want Ads Really Work!

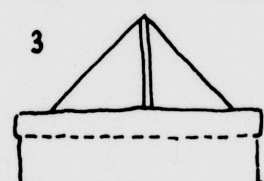

HERE'S HOW TO MAKE A PRINTER'S HAT!

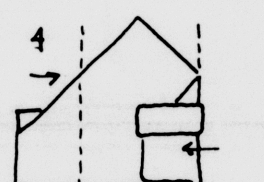

1. Place a full-sized, folded newspaper on a table, open edge toward you. Turn down upper corners to meet at center.

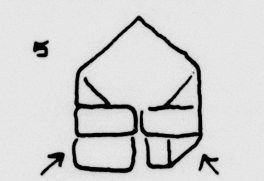

2. Fold lower edge of the top sheet up to base of the triangle.

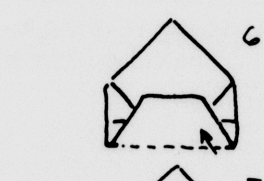

3. Now fold top sheet over again at base of the triangle. Leave the lower sheet unfolded.

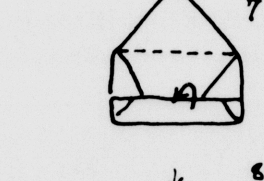

4. Turn the whole thing over and fold the sides in to the center, so that the edges meet.

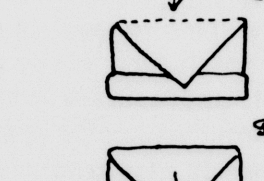

5. Fold up corners of the lower edge, forming small triangles.

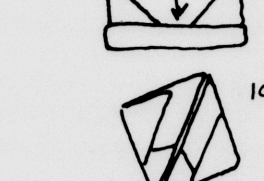

6. Fold lower flap up.

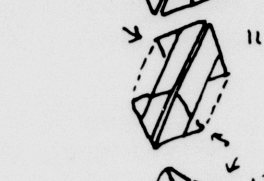

7. Fold flap down and tuck it behind the "band."

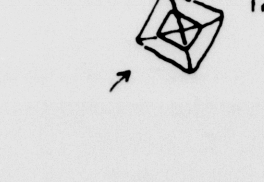

8. Turn paper over again and fold point down to bottom edge.

9. Tuck point into band.

10. Open the cap and bring lower corners of cap together at center, forming a flat square.

11. Fold closed corners toward center, tucking them under band.

12. Fold top and bottom corners to meet at center. Cap is now ready to be opened and worn.

## NEWS FROM...

# McCaulley

By Mrs. Fred Kemp

McCaulley 4-H'ers sponsored a community Swimming Party, Saturday evening at the Hamlin Swimming Pool. Some 50 parents, children and friends attended and participated in the swimming and other activities.

Mr. and Mrs. Jerry Jeffrey, Shiela, James, Daren and Ryan attended the Texas Angus Association at Brenham last week. They were accompanied by Fonda Jeffrey, daughter of Mr. and Mrs. Billy W. Jeffrey, who was selected Princess of the Association. She will preside at all events required when the queen is unable to attend, and will hand out most of the awards given by the association in this section of the state.

Derrel Wayne Douglas, son of Mr. and Mrs. Don Douglas of Coahoma, is spending the summer with grandparents Mr. and Mrs. Bill Guinnand and Mr. and Mrs. Ross Douglas. He will help Ross with farming activities.

Mr. and Mrs. W. J. Kemp of

Hamlin and Mr. and Mrs. Raymond Kemp of Roby visited with Mr. and Mrs. Fred Kemp Sunday afternoon.

Mr. and Mrs. Eldon Franklin have returned home after visiting in Ladonia the past two weeks. Mr. Franklin is the vocational agriculture at McCaulley School and will be on duty there this summer.

Mrs. Marion Reed, Doris Reed and Brad went to Fredonia Sunday to visit Mr. and Mrs. Bobby Smith and boys and bring Stephanie home.

The McCaulley Equalization Board will meet at the McCaulley School, June 24, at 2:00 p.m.

## Select Strawberries Wisely

Economy in shopping during strawberry season begins with knowing how to choose the best quality berry, especially for traditional shortcake. Even though prices are reasonable during berry season, select carefully and don't buy for size alone. Look for berries with full red color, bright luster, firm flesh, and the cap stem still attached. Berries should be dry and clean. Avoid berries with large uncolored areas or with large seedy areas indicating poor flavor and texture. A dull shrunken appearance or softness signifies overripeness or decay.

For economy of time, it's wise to have envelopes of Dream Whip whipped topping mix on hand so that it's freshly available. Prepare according to package directions and note that you can also use skim milk, low fat milk, or reconstituted nonfat dry milk instead of whole milk. Bake a batch of individual shortcakes with homemade goodness to go with those special strawberries and fresh-tasting whipped topping.

## FRESH SHORTCAKES

1-3/4 cups unsifted cake flour  
1/4 cup sugar  
3 teaspoons double-acting baking powder  
3/4 teaspoon salt  
1/2 cup shortening  
1/4 cup milk  
1 egg, well beaten

1 tablespoon grated orange rind (optional)  
Melted butter or margarine  
1 envelope whipped topping mix  
1 quart fresh strawberries, sliced and sweetened

Mix flour with sugar, baking powder, and salt. Cut in shortening. Combine

milk and egg. Add to flour mixture with rind; stir until soft dough is formed. Place on lightly floured board and knead 20 times. Roll or pat 1/4-inch thick, and cut with floured 3-inch biscuit cutter. Place half the circles on ungreased baking sheet and brush with melted butter. Top with remaining circles; brush with butter. Bake at 425° for 10 to 12 minutes

or until golden brown. Separate halves of shortcakes while still warm. Prepare whipped topping mix as directed on package. Fill and top shortcakes with

strawberries and whipped topping, allowing about 1/3 cup strawberries and 1/4 cup whipped topping for each. Makes 6 shortcakes.
